Welcome to Heartland Bank

We're glad you have chosen to bank with us. We want to make switching over your bank accounts as easy as possible. This step-by-step switch kit will help you complete this project in four easy steps!

Step 1: Open an Account With Heartland Bank

Complete and print off the **Customer Account Information Form (Page 3 & 4)**. Bring this form in to your local Heartland Bank, where an associate can use this information to quickly open your new account. For more information on other Heartland Bank products and services, visit our website at MyHeartlandBank.com.

Step 2: Setup Your Direct Deposits

Complete and print off the **Direct Deposit Request Form (Page 6)**. A Heartland Bank associate will use this form to help setup your direct deposits to your new Heartland Bank account.

Step 3: Setup Your Automatic Payments

Complete and print off the **Automatic Payment Request Form (Page 8)**. Submit this form to the corresponding merchant(s) to update any automatic payments to your new Heartland Bank account.

Step 4: Close Your Old Accounts

Complete and print off the **Account Closing Request Form (Page 10)**. Submit this form to your previous bank and be sure all of your checks and transactions have cleared from your old bank account.

**For your convenience this PDF document has been formatted to allow you to input the required information into the fields of the PDF before printing. Since this document contains personal information, please do not email this PDF to any Heartland Bank associate using non-secure email.*
